

Wetland Treasure Hunt

Life on the Wetland is full of surprises! Have fun exploring the wetlands at The Morton Arboretum and searching for these interesting plants and animals.

Note: The Morton Arboretum is a tree museum. We have trees, flowers and nature the way an art museum has paintings and sculptures. Would you take a painting home from an art museum? Please be sure to leave our "paintings" for all the visitors to enjoy!

<p>A Frog or Toad</p> 	<p>A turtle</p> 	<p>Plants under water</p> 	<p>Cattails</p> 
<p>Plants floating on the surface of the water</p> 	<p>A bird in the water</p> 	<p>Animal tracks</p> 	<p>An animal home</p>
